DEMOCRATS ARE PRESSING IT MOST VIGOROUSLY,

STRAYER IN CLARKE COUNTY.

He Makes a Great Speech at Berry. ville-A Fine Meeting in Loudons-

BERRYVILLE, VA., October 13.-(Spe cial.)-Hon. H. V. Strayer, of Harrisonburg, presidential elector from this district, delivered yearerday evening at the court-house here the strongest and mosrhetorical argument in favor of the De-mocratic platform heard in this place during this campaign. Covering the history of the currency from 1792 to date, he spoke of the natural affinity of gold and silver as money, and entered into a full and logical exposition of the evils of our present monetary system, and the advantage which would accrue to all classes under the free coinage of silver at the ratio of 16 to 1. He closed with a scathling denunciation of the gold-lica whether Republicans or Bolters. His speech throughout showed an immense amount of study, and a full acquaintance with his subject. All who heard him are loud in their praises of his spiendid effort, and many converts to this fold of free silver were made. Mr. Strayer spoke this afternoon at Millwood, and this evening at Boyce. At both places large and enthusiastic crowds heard him.

STAFFORD STIRRED UP.

Meetings at White Oak and Fal-FREDERICKSBURG, VA., October 13,

(Special.)-The political pot is boiling to overflowing hereabouts. In no campaign for years have there been as many public speakings promised as are billed to

lic speakings promised as are billed to occur in the next three weeks in this city and adjoining counties.

The people of Stafford have become aroused. They are in the fight to win and to relieem their old county from Republican domination. Large and enthusiastic meetings were held at White Oak Saturday afternoon at 3 o'clock, and at Falmouth at 7 o'clock on the evening of the same day. At the first-named place about seventy-five of the good and true sons of Stafford were present, and at the last-named more than double that number assembled.

THE SPEAKERS. THE SPEAKERS.

Commonwealth's-Attorney R. H. L. Chichester and Mr. L. G. Johnson, of Culpeper, were the speakers at both places. Both gentlemen discussed the important political questions of the day in a business-like and intelligent manner. Their arguments were so foreible and In a business-like and intelligent manner. Their arguments were so forcible and their illustrations so practical that those who heard them were fully convinced that the way to remedy the hardships of the day was to vote for Bryan and the

the day was to vote for Bryan and the remonetization of silver.

King Georgians are equally as alert and zealous in the cause of Democracy. Bryan, dewall and Rixey clubs are being formed at all precincts. The Prince Georgians propose to show no quarter to Republican or gold-bug.

THE BOLTERS.

Messrs, E. H. Warner and Henry E. Davis, of Washington, addressed a large meeting here to-night in the interest of the bolters. The significant feature of the meeting was that Mr. J. M. Griffin, the chairman of the Republican City Executive Committee, presided, and introduced the speakers. At the same time the Bryan, Sewall and Jones Club, of this city, held a very large meeting at their club-room, which was addressed by local speakers. It was a success, and in enthusiasm in marked contrast to the one in progress at the court-house. THE BOLTERS.

On the following Monday the club will be addressed by a number of prominent speakers, who omittee, consisting of Judge Miller Monday the club will be addressed by a number of prominent speakers, who will be nere in attendance on Circuit Court. All indications now seem to point to a rare occurrence—a big Democratic majority in the county of Powhatan. So

Spenking at Leesburg.

LEESBURG, VA., October 13.—(Special.)
Yesterday was court-day in Leesburg,
but it was principally devoted to politics.
A crowded court-house welcomed the
Democratic speakers, who were Mr.
Frank E. Anderson, of Alexandria, and
Hon. James W. Marshall ("Cyclone Jim"),
of Southwest Virginia. Both received a
bearty welcome. Marshall spoke rapidly
as he had to leave on an early train to
fulfil another engagement, but his appeal
was effective, and received with shouts
of application. In the afternoon a very large audience istened attentively to Hon, P. H. Me-aull, Republican candidate for Congress

istened attentively to Hon. P. Caull, Republican candidate for Congress in this district.

Then again at night the Republicans held the court-house, when Mr. R. T. Hubbard addressed a well-filled hall. This audience was principally composed of negroes, not a tenth part being white voters.

There was no representative of Palmer and Buckner here, probably because that ticket has no following hereabouts.

FORD'S STORE, GOOCHLAND COUNTY, VA., October i3.—(Special.)—There was a large and enthusiastic meeting of the voters of Ford's Precinct. Goochland county, held at this place to-day. The meeting was under the auspices of the Bryan, Sewall, and Lamb Club, and was presided over by Mr. W. M. Crouch, who introduced as the first speaker Mr. John A. Lamb, of your city, who spoke at length upon the financial question, and closed with an earnest appeal to the voters to do their duty on November 33. The next speaker was Mr. J. L. Anderson, also of Richmond. Mr. Anderson made a most interesting and instructive speech upon the insues of the day, and was listened to by the people with marked attention.

BUCKINGHAM COURTHOUSE, VA..

October 13.—(Special.)—Yesterday was the opening day of County Court here, but there was little of legal or any other kind of business done. Most everybody was listening to the political speeches. Senator T. S. Martin; Mr. Thomas, of Greene county, and Hon. H. D. Flood were on hand, and made good Democratic speeches, and our local speakers were also on hand in their usual good trim. There were several strangers here speaking to the Republicans, and they were said to be northern men, but I do not know their names. There was a meeting of the leaders of the Democratic party in the county here at night, and Senator Martin and Mr. Flood were present.

Hubbard at Williamsburg.
WILLIAMSBURG, VA., October I3—

his canvass. Several times during his
smarks he was interrupted by applause.

AN HISTORIC DONKEY.

Was Ridden by Baby Ruth at Chicago's World's Fair.

"Colonel B.," the little donkey in the Sipe, Dolman & Blake trick dog and pony show, is an amusing creature besides beng an historic animal. "Colonel." as he is familiarly called by Professor R. J. Blake, the trainer of the dogs and ponies, is one of the five jacks imported from Jerusalem by the proprietors of the famous "Streets of Cairo," so popular with people who visited the World's Fair at Chicago. During the great fair Mr. A. B. Lindsley, press agent of the dog and pony show, was a reporter for a Chicago newspaper, and one day was given the assignment to accompany President Cleveland, wife, and baby on their tour of inspection of the Midway Plaisance, and he tells the story of "Colonel B." "Wandering along the Midway," said Mr. Lindsley, "It was natural for President Cleveland and his family to wander into the 'Streets of Calro,' where Baby Ruth is familiarly called by Professor R. J. Cleveland and his family to wander into the 'Streets of Calro,' where Baby Ruth became much interested in the little donkeys. Finally she expressed, in her childish way, as desire to ride, and for nearly an hour rode upon the back of the little donkey now owned by Sipe, Dolman & Blake, and since that time many a little child has ridden the gentle jack." All of the animals with this show are as subtile as the "Colonel," and after are as subtle as the "Colonel," and after every show little children enjoy a ride on the ponies.

والمالي المالية CENTRAL R. R. OF GEORGIA.

First Annual Meeting of Directors-Reorganization Extension. SAVANNAH, GA., October 13.—The first

annual meeting of the directors of the Central Railroad of Georgia Company was held here to-day. It was decided to postpone the annual meeting of the stockholders till November 10th, at which time three directors will probably be elected to fill the places of three tem-porary directors now serving on the

board.

The directors passed resolutions under which all holders of securities of the Central Railroad and Banking Company of Georgia—the old company—who did not deposit them under the plan of reorganization, will be allowed to deposit them up to January 1st, and receive in exchange the same class of securities as those given to the security-holders who deposited their securities at the time the plan was announced.

President H. M. Comer read to the di-

deposited their securities at the time the plan was announced.

President H. M. Comer read to the directors the annual report, but it will not be given out for publication for several days yet. He also stated to the board the status of the Georgia rail and lease, an interesting subject now, in view of the fact that the Louisville and Nashville is said to have scooped the entire lease, at a time when the Central was unable to pay promptly its part of the rental. A director said, however, that every necessary step to protect the interest of the old Central Railroad and Banking Company in the Georgia railroad lease had been taken, and he had no doubt that the matter would be settled satisfactorily and amicably, without any unfriendly

litigation between the Louisville and Nashville and the Central.

The lease of the Savannah and Atlantic railroad to Mr. J. J. McDonough for the winter months was ratified and confirmed.

FIGHT WITH OUTLAWS. Two Members of the Green Gang Killed.

FORT SMITH, ARK., October 13.-In a fight between a posse headed by Mai-shall Heck Thomas and the Green gang in fight between a posse headed by Maishall Heck Thomas and the Green gang
of outlaws, at Oolagh, I. T., last night,
two of the outlaws were killed, and the
others escaped. The dead men are Jim
Green and his brother, and they were
members of one of the worst gangs of
desperadoes in the Indian Territory. The
Greens have been actively on the road
for three months, and their coolness and
skill in robberies gave rise to the belief
that they were in many hold-ups charged
to the Cook gang. Last night Green
and his gang rode into Oolagh, forty
miles west of Fort Smith, for the purpose of robbing the town, but encountered Heck Thomas and his party, and a
fight followed, which proved most disastrous to the Greens. Thomas is the
man who ran Bill Doolin to earth.

Indications of a Wreck.
SAVANNAH, GA., October 13,—The
steamship Chattahoochee reports passing,
on October 10th, at 6 P. M., about thirty
miles off Cape Lookout, a lot of wreckage,
consisting of the top of a vessel's house,
two doors painted white, and a chair.
He also passed a large quantity of dressed
lumber. This wreckage had apparently,
not been long in the water.
